

MonologueManager.Update

```
graph LR; A[MonologueManager.Update] --> B[MonologueManager.IsCurrentSentenceFinished];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'MonologueManager.Update'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'MonologueManager.IsCurrentSentenceFinished'.

MonologueManager.IsCurrent
SentenceFinished
