

ScriptableObject

```
graph BT; ReturnObjective --> Objective; Objective --> ScriptableObject
```

The diagram illustrates a class hierarchy with three classes arranged vertically. At the top is 'ScriptableObject' in a light gray box. Below it is 'Objective' in a white box. At the bottom is 'ReturnObjective' in a dark gray box. A blue arrow points from 'ReturnObjective' up to 'Objective', and another blue arrow points from 'Objective' up to 'ScriptableObject', indicating inheritance.

Objective

ReturnObjective
